WORLD OF MATHS -HANDS ON MATHS WORKSHOPS

Dear Parents/Caregivers,

As part of this Term's work, we have invited World of Maths (a travelling, interactive Maths Workshop) back to visit our school. This workshop opportunity was a huge hit with both students and staff last year!

World of Maths offers an ideal opportunity for students to see how maths is applied to everyday life situations, explore Maths in a hands-on environment.

Students are encouraged to communicate their Maths ideas and answers with other students in small teams, working together.

Students will gain insight into problem solving, working in teams, and explore various mathematic stains which are part of their curriculum this term.

It is a highly engaging session which will show that Maths is everywhere and is important and of course that Maths can be fun!

DATE: Thursday 29th April
COST: \$6.50

YEAR LEVEL(S): Kindergarten, Years 1, 2 and 3
