Dear parents and carers,

The National Assessment Program – Literacy and Numeracy (NAPLAN) is a point in time assessment of literacy and numeracy skills that are essential for every child to progress through school and life. Excessive preparation for NAPLAN Online is not recommended. Students do not need to be able to touch type to complete NAPLAN Online as the tests are **not** about keyboard skills (just as the paper test is **not** about handwriting skills). Students can use the [public demonstration site](#) to familiarise themselves with the types of questions and tools available in the NAPLAN Online tests.

Please see the attached *NAPLAN Online – Information for parents and carers* sheet for further information.

If you have any questions about NAPLAN Online, please contact your child's teacher.
