## 2025 Student Leadership Candidate Requirements

Dear Parents and Carers,

Student Leaders are significant members of the school community and hold a position that provides an example to other students. Next year there will be 6 non-gender specific leaders chosen. They are democratically elected by students and teachers through a preferential voting system. It is important to maintain the integrity of this system. This year's Leadership Speeches will be conducted on Wednesday 4<sup>th</sup> December, via Teams.

Students considering nominating for Student Leadership positions must display qualities that exemplify the school values.

These include,

- Appropriate behaviour,
- Correct school uniform,
- Participation in all areas of school life,
- Showing respect to all members of the school community, and
- Displaying positive personal and interpersonal skills.

The school encourages all students to embrace formal leadership opportunities with an appropriate degree of personal integrity and responsibility that accompanies the role.
