Dear Parents and Caregivers

Over the years, the assistance of parents and caregivers within our school has significantly contributed to the welfare of our school community.

Our school canteen continues to need the help of these important people, particularly those who can help in our school's canteen team. Did you know that we are aiming to make our canteen a truly memorable experience, by supporting student health, providing access to healthy foods and drinks and by making healthy choices, the easiest ones? To support this, we have developed the following mission statement.

To cater for the students and other members of our school community, providing the healthiest and most nutritious food in a responsive, courteous and impartial manner.

To provide this, we need assistance. **We need your help.** With approximately 321 students, our Canteen needs 2 helpers each day to assist us in making this truly memorable experience.

Do you think you could help?

Canteen Duty is from 8:45 until 12:30 Monday, Wednesday and Fridays. Duties include assisting with the preparation, heating and serving of lunch orders and some light cleaning.

No prior experience is necessary! We will provide you with lots of help, assistance and significant guidance until you feel confident on your feet. Plus, we'll happily provide you with a tasty light lunch.

All you need to do is wear a smile and follow some very simple, common sense food preparation procedures. Most of all you will have the pleasure of providing a memorable and much appreciated experience to our school community members!

If you could be of assistance, could you please complete the attached form and hand it into the front office, so we can get you on board the team. You will also need to complete a Volunteers Declaration and provide 100 points of ID. Volunteer forms are available from the office.

Kindest Regards.

Jen DaConceicao
Canteen Supervisor
