### From the Principal Learning

Students at Bellinghen have been engaging in learning intentions and success criteria as a means to have clarity about their learning and what success looks like. Above is a "Bump it up wall" used in a Kindergarten class. "Bump it up walls" are used to engage students to continuously improve through self-reflection, clear

direction (learning intentions) and analyse/unpack what good examples are in each level (success criteria). It makes learning visible for all students and creates learning "steps" for all students to climb.

### Student Success

Congratulations to the students who competed at North Coast Athletics. I look forward to hearing the results. Congratulations to the girls Touch Football team who made it to round 5 of the PSSA knockout unfortunately going down to Boambee PS 8-6. What an amazing effort by the girls who never gave up and showed excellent sportsmanship.

### Musical

I would like to invite all parents to the stage 3 musical "When I grow up" at the Memorial Hall this Friday at 7:00pm. The stage 3 students and teachers have been working extremely hard and are looking forward to performing for you.

Have a lovely week

## Kinder Orientation Tabloid Sports

Last Thursday morning our Kindergarten students hosted a morning of fun and games for pre-schoolers who will be coming to our school next year.

The annual Tabloid Sport Morning was a huge success with activities such as parachute, balance beam, quoits, soccer goals and stilts all available to test little people's skills and sense of fun.

Thank you to the Sports House and School Leaders who assisted by running each activity.

You can read Kinder Orange's reports about their morning at Tabloid Sports in today's newsletter.

## Fern Berry – NSW PSSA Netball Championship

Last week I competed at the NSW PSSA Netball Championships. After being chosen in the North Coast team, at the end of several long selection processes, this was the highest level of competition to play at. Over three days we played 13 games of netball. We came away with a few wins, some very close losses, and even some draws! I was also voted players player of the North Coast team, which was really cool, so was having one of our games live streamed on youtube!!! I really enjoyed the experience, as I got to make many new friends and reconnect with others as well as play quality netball, against the best in the state.

All volunteers need to sign in at the office or other designated sign on site. Please see the office for more information.

## Colour Fun Run

One week to go until our School Fun-Run. Hopefully students have been using their student profile pages at [schoolfundraising.com.au](http://schoolfundraising.com.au) to get the most out of the fundraiser.

Currently we have raised **over \$3000**, so if you are yet to create a page, I hope you will. Remember, the money raised will be going towards **Bellingen Public School**.

We've set our money due back date at the end of the holidays, so please make sure you've returned all your money by then.

We would love some volunteers on the day, so please call the office on **6655 1147** if you can help us throw an amazing day! If you can't help, we'd still love to have you come down and cheer the kids on to create a great atmosphere for the kids.

## Spring Plant Fair Success

True Community and School Spirit was evident at the Plant Fair this weekend. Many BPS families and teachers came to buy their Veggie seedlings from our stall which was really appreciated.

A young band of musicians; singers and stringers, set the scene for shoppers to watch, admire and buy more plants!! They raised \$140 busking and donated the entire amount to our Garden Club.

With the assistance of Jeff McNeil( Local Landscape Gardener), his daughter Laura, Miss Viv and Anne McKerris we had an attractive stall with hundreds of plants to sell.

We made \$1,270.00 which will be used to support our garden with seeds, seedlings, a load of compost from Biomass in Coffs Harbour and refresh our equipment and tools, all, with the intention of providing more learning activities for our students in our beautiful outdoors classroom.

A huge thank you for donations of plants to sell and the fabulous crew of 'Garden Club' children who helped on the stall.
