	<ul style="list-style-type: none"> • Craig Ellem Exchange of Duty with Donna Williams <p>On behalf of Bellinghen Public School I would like to thank you all for everything you have done for us this year. It has been a hard one for fundraising but you have you all rallied together when necessary and organised some great activities. I wish you a Merry Christmas and safe, relaxing holiday ready to do it all again in 2022.</p>	
9. Business Arising	<p>Funding allocation discussion: Potential below:</p> <ul style="list-style-type: none"> - Concreting/garden beds for under garden shed at garden club (apply for grant) - Rainwater tank for garden club garden near music room (Ness suggested the school could purchase if not able to get grant) - Drums – already committed to these from the fundraising for Colour Fun Run - Soccer goals more permanent structure (Ness said would have to be costed - perhaps more robust movable goals). P & C happy to pay for will just need a quote. - Also suggested that we purchase lego/robotics/technics - Wellness related? <p>Final decision to be made in the new year.</p> <p>To note: When you become a member of Rebel Sport then you can allocate a certain percentage to go towards sports gear for the school.</p>	
10. President's report	<p>Presidents Report BPS P&C</p> <p>What a year it has been for the P & C! It has been filled with challenges, some disappointments, learning, friendships both old and new, successes, laughs and a few tears.</p> <p>We have as a school community had the challenge of feeling extremely isolated from our children's learning due to covid restrictions and then very involved through learning from home followed by going back to school with more restrictions. For those who have started at the school during this time it must be even more challenging trying to establish relationships with teachers, other parents and children's classmates.</p> <p>We have finished the sustainability grant, finally run the most difficult to actually put on (because of covid) Colour Explosion Fun Run and Obstacle Course, and shaken buckets at the market to fundraise. We have hosted a number of teachers at meetings to learn more about what is happening at the school among other things.</p>	Kim Childs

	<p>It has been great for me personally to meet many new parents and while I won't be President next year I look forward to being an active and involved P and C member. I would like to sincerely thank everyone who has put in effort this year to the various projects we have done.</p> <p>On behalf of the whole P and C I would like to thank Ness, for turning up to meetings, giving us her principals report each month and making herself available to us for questions, phone calls and all your efforts at school throughout what has been a very challenging year. And continuing to be flexible when Covid put hitches in our plans.</p> <p>From myself I would like to say thanks to Charlene, for taking on the treasurers role this year. You have performed that role with such little fuss and bother that it has hardly registered for me for which I am truly grateful. I know that it is no small task and thankyou for doing it so well.</p> <p>Caroline, secretary is a job I never want to have to take on. Thankyou for all your work throughout the year. For being so supportive, running ideas by each other and always getting the minutes and agendas out even if it wasn't always as early as you wanted it was plenty early for everyone else.</p> <p>Fleur thankyou for all your efforts as Vice President. I may have told a little fib when I said all you would have to do extra was maybe chair a meeting if I was away. For efforts too numerous to count this year but particularly taking on the colour explosion and making me all those cups of tea thankyou.</p> <p>I look forward to next year.</p> <p>We also want to say how much we appreciate the thank you card from Stage 3.</p>
