9 February 2022

Hello to all the lovely Parents and Carers out there and a special welcome to first time Kindy parents and Carers and those who have a child new to the school.

The Bellinghen Public School Parents and Citizens Organisation (forever after referred to as the P and C) wishes to welcome everyone back for 2022. Our first meeting of the year will also be the AGM! It will be held from **6pm on Monday 7th March**. We will elect our new executive followed by the general meeting.

At each AGM all positions are always declared vacant. This year is no different. We do know that a number of the old executive will not be standing this year so we are hoping there are lots of parents, carers and citizens out there keen to put their hand up. If you are thinking that might be you, please rest assured that current members are still keen to be involved and provide support and knowledge to anyone taking on a role.

The P and C is full of friendly parents who are all interested in their children's education, and we are always happy to welcome new members. Please remember your \$1 if you wish to become a voting member.

I will confirm, but at this stage the meeting will be at the CWA hall and will be inside with masks, social distancing and hand sanitiser as Covid precautions.

If you use Facebook but have not yet joined, feel free to join the Bellinghen Public P and C Facebook site. There are often interesting discussions on there around education throughout the year as well as information sharing.

We look forward to seeing you in March.

Kim and the rest of the P and C.
