and all student learning needs are valued, understood and catered for.

We strive to empower all students to achieve their best, build their emotional, social and physical well-being, to become lifelong learners and responsible citizens ready to meet the challenges of the future.

We nurture and maintain relationships built upon trust, empathy, respect and high expectations. We embrace and celebrate the diversity within our community and value the strong partnerships that exist to enhance the culture of our school. Our school highly respects these partnerships as we share a commitment to and responsibility for ensuring a safe, collaborative, compassionate and quality learning environment for all.

By working together, we ensure that learning is meaningful, relationships positive and individuals successful.
